There is going to be a new Prescribed Form for a rental agreement and additional clauses outside this form will not be allowed under the RTA
There are two types of agreements: short term (< or = 5 years) and long term (> 5 years)
If a Renter has signed the rental agreement but the Rental Provider has not and the Rental Provider (or their agent) has accepted rent or allowed part performance on the agreement by the Renter, then the agreement is enforceable
A term in a rental agreement can only require professional cleaning if it is needed to return the property to the condition it was in at the start of the rental agreement, taking into account fair wear and tear

Bonds & Rent in Advance

Section 31

Unless the rent is greater than \$900/wk, the maximum bond taken must not be more than one

month's rent

We can no longer take higher bonds for the Principal Place of Residence, this has been removed
Additional bonds are allowed for long term leases (top up every 5 year fixed term period) and modifications if there is a requirement that the Renter has to restore the premises at the end of the agreement

Pet bonds are illegal, even if the Renter offers it

A Renter will have a right to apply for their bond back at the end of the tenancy. If the Agent does not dispute the return of bond by going to VCAT it is automatically returned to them within 14 days. If we want to claim bond without consent we have to apply to VCAT - this must be done within 14 days of the end of the tenancy

Terminating a Tenancy

Rental providers cannot issue a 120 day 'no specified reason' notice to vacate

To end a fixed-term agreement Rental Providers can issue a notice to vacate at the end of the first fixed-term only, not on subsequent lease terms.

Rental Providers must attach documentary evidence to a notice to vacate for change of use. The Director of Consumer Affairs Victoria will specify the types of evidence that must be used, for example: A statutory declaration for a Landlord to Occupy.

Renters can give 14 days' notice of intention to vacate without paying lease break fees in limited circumstances, including when they need special or personal care, have been given a notice to vacate, need temporary crisis accommodation, have been accepted into social housing or have been given a notice of intention to sell but was not informed of the sale prior to signing the rental agreement.

Terminating Notice Periods

Serious damage to the property including safety equipment

60 Day Notice to Vacate

Prohibition on Letting after Notice

If you serve a Notice to Vacate to a Renter due to demolition, premises to be used for business, occupied by a Residential Rental Provider or family or sale you must not let the premises before the end of 6 months from when the Notice to Vacate was given.

You can also apply to VCAT to have the property cleared to be re-let earlier.

Penalty: 150 penalty units (\$165.22 x 50 = \$24,783.00)

Lease Breaks & Assignment Fees

If a rental agreement is being assigned to a new Renter, the Rental Provider can only charge fees that are reasonably incurred by them because of the assignment of the agreement. This fee will need to be outlined in the Authority but would be reimbursed by a Renter.

Rental Providers can apply to VCAT for compensation if a Renter terminates a fixed-term rental agreement before the end date. The amount payable will be determined based on the loss incurred by the Rental Provider and any hardship suffered by the Renter. When making a compensation order in the case of a lease break, VCAT must consider the severe hardship the renter may have suffered due to an unforeseen change in circumstances, if the agreement had continued.

Allowable fees are:

Pro-rata letting fee

Advertising based on what you pay to advertise the property

Rent until the property is re-let or until the end of the lease

Changes to Abandoned Goods

Can be disposed of immediately:

No monetary value

Perishable foodstuffs

Dangerous goods. Other legislation may deal with the disposal of dangerous goods.

Goods must be stored:

Labeled containers or labeled urns that contain human remains
Specialised medical devices, equipment and goods including prostheses and prescription medication
Medals and trophies
Personal documents (90days)

Other than goods that can be disposed of, the owner of a premises must take the following steps when goods have been left behind:

Take reasonable steps to give notice to the former renter to advise goods have been left behind.
This must be done using an approved CAV form

Store the goods in a safe place for at least 14 days after serving notice after which the owner can remove the goods from the property

Other changes

Occupation fee only if a sufficient quantity to prevent the owner from renting out the premises
The occupation fee must not be greater than the amount of rent the former renter would have had to pay and can be no more than 14 days rent in total

If the goods are not reclaimed within 14 days (or an extended period agreed or ordered by VCAT), the owner of the premises may sell or dispose of the good in any lawful manner

If goods are not reclaimed and are sold by the owner of the premises, the former renter has six months to claim the proceeds of the sale less the occupation fee and the cost of the sale

Personal Goods

The owner of the premises must store any personal documents (including official documents, photographs, mail and other documents a person would reasonably be expected to keep) for at least 90 days. They must let the former Renter reclaim the personal documents after repaying any reasonable costs the owner of the premises had to spend to remove and store them.

Death of a Sole Renter

Removal of the 28 day notice period

The legal personal representative or next of kin for the deceased renter may give the RRP a notice of intention to vacate

If the legal personal representative or next of kin cannot be located, the RRP can make application to the tribunal for termination of the rental agreement and possession

These changes do not apply if there is more than one renter under the residential rental agreement

Maintaining Properties

The new RTAA has a greater responsibility for the Rental Provider to maintain the property in good repair and in a suitable state to live in. This requirement is designed to prevent Rental Providers from not carrying out repairs where the property is an older property and the Renter is on a low rent.

Electrical Safety Checks

The rental provider must ensure an electrical safety check of all electrical installations, fittings and appliances provided by a rental provider in the rental premises is conducted every 2 Years by a licensed electrician and must provide the renter with the date of the most recent safety check on request of the renter.

If an electrical safety check of the rented premises has not been conducted within the last 2 years at the time the renter occupies the premises, the rental provider must arrange an electrical safety check as soon as possible.

Gas Safety Checks

This safety-related activity only applies if the rented premises contain any appliances, fixtures or fittings which use or supply gas.

The rental provider must ensure that a gas safety check of all gas installations and fittings in the rented premises is conducted every 2 years by a licensed or registered gasfitter and must provide the renter with the date of the most recent safety check on request of the renter.

The rental provider must not:

Give a key to a person excluded from the premises under a family violence intervention order or safety notice, a recognised non local DVO or a personal safety intervention order

Other Changes

ON THIS PAGE

[Pet Requests](#) | [Family Violence](#) | [Owners Corporation](#) | [Compliance](#) | [Changes already in place](#)

Pet Requests

A Renter may keep a pet at rented premises with consent or Tribunal order.

A renter may keep a pet at the rented premises if either:

- a. The RRP has consented in writing to the renter keeping the pet on the premises, **OR**
- b. The Tribunal has made an order permitting the renter to keep the pet on the rented premises

Note: A RRP is taken to have consented to a request to keep a pet on the rented premises unless, within 14 days of being given the request, the residential rental provider makes an application to the tribunal.

The Tribunal will consider the following when making a decision:

The type of the pet the Renter wants to keep

The type of property the Renter is renting

Appliances, fixtures and fittings in the property

Other relevant laws (for example, if the pet is prohibited by a local council law)

Anything else VCAT considers relevant

If VCAT makes an order excluding the pet from the premises, the Renter has 14 days to comply with the order after it takes effect. If the Renter has not complied with the order after 14 days, the Rental Provider can serve them with a notice to vacate, giving a minimum of 28 days' notice.

Family Violence

VCAT can decide on terminations on rental agreements in family and personal violence situations. VCAT can terminate an agreement, or require creation of a new agreement that does not include the alleged perpetrator of the family or personal violence. An application brought to VCAT for the termination of an existing rental agreement or the creation of a new agreement on family or personal violence grounds must be heard within 3 business days.

When terminating and/or creating a new agreement because of family or personal violence, VCAT may apportion liability between the victim, perpetrator and any other co-renters in relation to the bond, and

any outstanding unpaid rent, utility charges and damage.

When considering an application for the repayment of a bond, VCAT will be able to determine that a Renter who is a victim of family or personal violence is not liable for any loss or damage caused by the actions of the alleged perpetrator (who is not a Renter).

A Rental Provider or database operator is prohibited from listing personal information about a person on a residential tenancy database if the listing was a result of an act of family or person violence experienced by the person. A person who is a victim of family or personal violence may apply to VCAT for an order that requires their Rental Provider, agent of their Rental Provider, or a database operator to remove, amend or not list personal information about the applicant.

The notice to leave for serious violence has been updated to include further practical information for a suspended resident.

If a Renter's agreement has been suspended because of an act of serious violence, the suspended Renter can arrange with the Rental Provider to have an authorized representative collect their person belongings (such as medication) from the premises.

Owners Corporation

An Owners Corporation may not join the RRP when making application to the Tribunal for breach of duty to maintain the rented premises. Eg. Damage or defects to common property that adjoins the premises.

Compliance

Civil penalties will be introduced for specific breaches of the RTAA

One of the biggest changes in the Residential Tenancies Amendment Bill is the significant increase in penalty units that can be imposed. One penalty unit is equal to \$165.22 during the period 1 July 2019 to 30 June 2020.

RRP's Liability for charges for supply to non-complying appliances

Introduction of a commissioner for Residential Tenancies

Introduction of the non-compliance RRP / Property Management register

Changes already in place

Civil penalties will be introduced for specific breaches of the RTAA

As of the 1st February 2019, long term leases are available which allow security and stability for tenants and landlords. A long-term lease allows renter and RRP to tailor the terms of a lease agreement of more than five years, and agree up front on things like rent increases and minor changes to the property.

A Guide for Renters (Old Guide for tenants booklet)

From 19 June 2019, RRP may give renters a guide for renters in electronic form, if the renter has given written consent to receive notices and other documents this way. Previously, RRP's were required to give renters the guide in printed form.

Rent Increases

As of 19th June 2019, RRP's can only increase the rent every 12 months, previously this was allowed every 6 months
